DEFENDINI ARCHITECTS

Our company was founded in Brescia by the architect Matteo Defendini: we are a multidisciplinary team that focuses especially on architecture, design and urban planning, both in the public and private sectors.

By working at a regional but also at a global level, thanks to a network of local professionals supporting us, we operate and reflect the cultural and natural environment of each job. We always pay the utmost attention to the needs of users and local traditions.

Thanks to the respect for the territorial context, Defendini firm is always able to offer creative, innovative and tailor-made solutions for every request and desire a client may have.

MATTEO DEFENDINI

Originally from Brescia but a citizen of the world, architect Matteo Defendini is the founder and CEO of our company.

Matteo graduated in Architecture at the Accademia of Mendrisio in Switzerland and at the Ecole de Paris Belleville in France. He has developed public and private projects that have been published on international journals and books and that have been obtained many awards, including the "Europe 40 under 40" award, which selects the 40 best young emerging architects in Europe every year. He has been a speaker at various conferences and universities; the Italian Ministry of Culture has appointed him Ambassador of Italian Design in Saudi Arabia; he is also a member of commissions, public and institutional bodies, as well as associations with various visions and missions.
